

TENSHEY

TRANSFORM

OUR MISSION

We're here to help women reach new professional heights and support organizations in creating an inclusive, gender-diverse workplace.

OUR TEAM

Tenshey's transformational coaches have proven success in helping executives at global, Fortune 500 companies as well as small and medium businesses to lead and grow.

OUR PROMISE

Honesty and trust are the most important factors in the coach-client relationship. All communications with your coach are kept 100% confidential.

You already possess the ability to live your best life, but in this fast-paced, complex world, it's easy to lose focus. Coaching provides the opportunity for personal transformation and accelerated leadership development.

This program is designed to support executives in accelerating their growth through executive coaching. You'll strengthen your authentic leadership voice, be more aware of your personal brand and have a clear plan of action for development areas.

You'll receive:

- Twelve one-hour executive coaching sessions with a coach who will become your trusted thinking partner
- A value-based assessment that maps out your authentic leadership voice
- A 360-assessment to better understand your personal brand and action plan

This program will most benefit female executives at director, S/VP, and C-level who are looking to reach professional goals and take their career to new heights.
